## Homes, Industries In Illinois Face Dim-Out

### ICC Orders Power Cut Next Week

Chicago, Feb. 23.—(AP)—Illinois homes and industries face an electricity dim-out next week as the result of a commerce commission order today which directed a 25 per cent power cut aimed at conserving scarce coal supplies.

The ICC ordered 19 electrical companies serving Illinois consumers "to restrict the use of electric power furnished by them to 75 per cent of each customer's average use during January."

The order is effective next Monday. Enforcement is left up to the companies.

Chicago and some other Illinois cities, anticipating the order, already had started dimming out operations several days ago.

**Closed 104 Schools**  
The coal shortage, accentuated by the strike Tuesday of 10,000 Illinois Progressive Mine Workers, had closed 104 schools in 13 downstate communities. More than 43,000 pupils have been released from classes with prospects of other thousands being dismissed.

At Springfield today the school board announced that the city's 18 public grade schools and three public high schools will be closed after classes let out tomorrow.

Affected are 12,000 pupils. The board said the schools would have only a five day coal supply left Friday. It said the remaining fuel would be used to prevent possible freezing damage to pipes.

The development meant that the regional basketball tournament at Springfield's Lanphier high school will be played under chilly conditions unless the coal strike ends. The tournament starts Monday and runs through Friday.

Evening classes in Chicago public high schools and trade schools were ordered closed. The classes have from 10,000 to 12,000 students.

Two major electric companies exempted from the ICC's brown-out order are the Iowa-Illinois Gas and Electric company, operating in the Rock Island-Moline-Davenport area and the Union Electric Power company, which supplies areas near St. Louis.

The ICC order allows any power company to discontinue the restrictions when it has assurance of adequate coal on hand. The brown-out order does not apply to public water supply, sewage disposal, and street lighting systems.

The commission said residential users should cut down on lights, the same as commercial users. Elimination of "unnecessary and imprudent use" of dispensable window display, sign and marquee lighting was asked by the commission.

Already blacked out in Chicago were floodlights on the Wrigley building, the old water tower on the near north side, and the Palmolive building. Chicago Transit Authority officials were studying plans for curtailment of services on street cars. Steps to conserve coal continued at both the Lincoln Park and Brookfield zoos.

## 'Citizen Of World' Trying To Regain U.S. Citizenship

Strasbourg, France, Feb. 23.—(AP)—Garry Davis started trying to regain American citizenship today after a two-year career as "No. 1 citizen of the world" without a passport. May be love changed him, but the road back won't be easier for that.

Davis declined comment on reports from his old home country that he wanted to go back in order to manage Hollywood dancing teacher Audrey Peters, 20. She said he proposed by mail.

Davis, a wartime American airman and son of orchestra leader Meyer Davis of Philadelphia, made known his change of heart on citizenship in an approach to the U. S. consulate here.

He asked for an immigration visa and was told he would have to apply to the American embassy in Paris—such things aren't handled in the consulate.

Embassy sources in Paris said Davis could apply to "immigrate to the United States for the purpose of becoming a citizen," and could not revive the passport he gave up in Paris in the summer of 1948.

He could try for U. S. citizenship in turn under the French quota of immigrants to the United States, embassy sources said.

They consider him a resident of France, although he had some argument from time to time with the French police over his lack of a visa and the basic lack of a passport to get a visa in.

**GUERRILLAS KILL SEVEN**  
Soul, Feb. 23.—(AP)—Communist-led guerrillas today killed seven persons and burned 50 houses at Sol village, less than 30 miles from the south coast port of Pusan.

## Christoffel Convicted Of Lying Under Oath

Washington, Feb. 23.—(AP)—Grim-faced Harold Christoffel, former Milwaukee labor leader, was convicted today on charges he lied under oath in telling a congressional committee he had never been a communist.

The tall, slightly stooped defendant stood listening without any change of expression as the jury foreman intoned "guilty" on each of five counts.

Punishment could range from two to 10 years on each count. Sentencing probably will be delayed until next week.

He was led off to the district jail immediately despite protests by his attorney O. John Rogge, who asked that he be left free on bail pending filing of a motion for a new trial.

This is the second time the one-time president of Local 248 UAW-CIO at the Milwaukee plant of Allis-Chalmers has been convicted on the same charges.

His first conviction was in 1948 when he was sentenced to a two to six year prison term.

He won a dramatic 5 to 4 reversal of that conviction by the supreme court last year on technical grounds. Rogge said reporters he will carry the case to the supreme court again if necessary.

Federal District Judge F. Dickinson Letts said he will hear motions by Rogge for a directed verdict of acquittal—despite the verdict—and for a new trial in the event the first request is denied.

Christoffel was charged with lying before the House labor committee March 1, 1947. The committee had been investigating subversive activities in labor unions.

He denied that he had ever been a communist or had affiliations with the party, and said he did not know two communist officials, Ned Sparks and Fred Blair.

Witnesses at Christoffel's trial characterized him as a willing aid to a communist conspiracy to call a strike in the Allis-Chalmers plant.

The company was manufacturing parts needed on most American warships then being built.

## Substitute FEPC Bill Is Passed

### To Invoke 60-Day Stop To Head Off Railroad Strike

Washington, Feb. 23.—(AP)—President Truman disclosed today he will invoke an automatic 60-day stop to head off a threatened nationwide railroad strike, tentatively set to begin at 5 a. m. C.S.T. Monday.

The Brotherhood of Conductors and Trainmen, representing between 200,000 and 250,000 workers, called the strike after rejecting federal arbitration on its wage-hour demands.

However, the Railway Labor act provides that a strike must be postponed for at least 60 days after the president appoints an emergency fact-finding board.

The White House announced that Mr. Truman will appoint an emergency board tomorrow or Saturday. The board has 30 days to submit a report, and no strike can be called then until another 30 days has elapsed.

In Cleveland, a spokesman for the trainmen's brotherhood said the union will comply with the legal procedures.

## US Sending Special Survey Mission To Southwest Asia

Washington, Feb. 23.—(AP)—Secretary of State Acheson disclosed today the United States is sending a special survey mission to southwest Asia to prepare the way for American help in bolstering the area against communism.

A State department group headed by R. Allen Griffin, publisher of the "Monterey" (Calif.) peninsula herald, is due to leave next week on a tour of five countries. One is the new French-supported state of Viet Nam, in Indo-China, which promises to become a cold war hot spot because of the Communist sweep in neighboring China.

Diplomatic authorities said the group will look into the needs of Indo-China and other countries for military as well as economic assistance. Countries on the itinerary include Malaysia, Burma, Thailand and Indonesia.

The State department announced details of the mission after Secretary Acheson told senators of American plans for southeast Asia. He said that in Indo-China there would be discussions on economic aid with the government of former Emperor Bao Dai, the Viet Nam chief of state. Such talks already are going on with Thailand, Acheson said.

## Senate Group Cuts Truman's Housing Program In Half

Washington, Feb. 23.—(AP)—The Senate banking committee today drastically scaled down President Truman's housing program for "middle income" families, then approved the revamped version by a 9 to 4 vote.

The administration's original bill called for \$2,000,000,000 in government-backed loans to cooperatives to be made up of families whose incomes range from \$2,400 to \$4,700 a year.

The committee cut the loan figure to \$1,000,000,000 and adopted a new plan for financing the home construction. Senator Sparkman (D-Ala.) said the effect of the change is that the government no longer would guarantee the loans. They would be insured by a national mortgage corporation for housing cooperatives.

Money for the loans would be raised through the sale of debentures, or securities, by the corporation.

Sparkman said the change would be in line with recommendations of the Federal Reserve Board. It urged that the program be based on the Federal Housing Administration (FHA) principle of insurance of home loans.

## Stripped Measure Is Bitter Defeat For Trumanites

Washington, Feb. 23.—(AP)—In a bitter defeat for the administration, the House today passed a substitute FEPC bill stripped of the legal barriers against racial discrimination in employment that President Truman has demanded.

The vote was not even close: 240 to 177. Some of the sponsors of the original administration measure voted against the substitute, although in doing so they had to get in the column of the roll call as the same men Democrats who superintended the wrecking of the original bill.

**Would Just Name Group**  
FEPC, the initials which have taken on almost a mystic significance to negroes and some other minority groups, stands for Fair Employment Practices Commission. The bill the House passed and sent to the Senate would establish such a commission, but that is about all.

The board would be directed to work with state and local agencies to discourage discrimination in the hiring and firing of minority groups, and make recommendations, but it couldn't issue cease-and-desist orders enforceable by the federal courts, as the administration bill provided.

A democrat who holds a very high position in the House summed it up: "Just a gesture."

Both major parties came out for anti-discrimination legislation in their 1948 platforms, and Rep. Martin of Massachusetts, the minority leader, declared the substitute meets the requirements of the republican platform. "This is an FEPC bill."

However, the democratic leader, Rep. McCormack of Massachusetts, said the measure doesn't comply with his party's promises and he doesn't think it meets the republican's either.

The consensus was that FEPC remains a very lively campaign issue despite the House vote.

President Truman repeatedly has demanded action on his "civil rights" program, and FEPC was right on top of the stack.

## 7 Gunmen Take \$350,000 In Gems From Millionaire

Cleveland, Feb. 23.—(AP)—Wearing stockings on their shoes and hoods over their heads, seven gunmen got an estimated \$350,000 in uninsured jewels today in a slick holdup at the William G. Mather mansion.

But Mather himself, 93-year-old retired board of chairman of Cleveland Cliffs Iron Co. and a millionaire many times over, slept on as his wife screamed and his Irish terrier, Pokey, barked.

The robbers discovered where the jewels were by waking Mrs. Mather, 60-year-old socialite, with the gleam of a flashlight's beam. At one point the leader snatched her on the face with the butt of a sub-machine gun.

Before they left, both Mrs. Mather and Mather's male nurse, roused by her screams, were bound and gagged with adhesive tape and tied in a sitting position to her bed. The nurse is 72-year-old Walter Russell.

Slipping tea a few hours later, Mrs. Mather appeared surprisingly calm after her ordeal.

"The jewelry was not insured," she said. "It has mostly a sentimental value. I am confident the police will solve this."

Suicide Chief William R. L'Estrange of Police Bratenahl, where the Mather lives, said the bandits seemed suspiciously familiar with the six-acre layout and 30-room mansion on the lake front.

He has obtained the names of four or five ex-Mather servants because the bandits got into the home through the servants' entrance. The last servant to enter last night—at 11:00—insists she locked the door.

L'Estrange thinks the men used a pass key. He also kept the FBI advised, but the FBI office here said it could make no formal investigation of the crime unless there was evidence a federal law had been violated.

Mather, too, appeared unruffled when he awoke several hours after the holdup. As is customary, he went to his downtown office.

He had awakened at 3 o'clock this morning, just 10 minutes before the robbers invaded his estate. He had a cup of hot chocolate, chatted with nurse Russell, then resumed his slumber.

## Will Not Give Solons U.S. 'Loyalty' Files

### Socialists Take 5-3 Lead At British Polls

London, Friday, Feb. 24.—(AP)—Britain's Labor party wrapped up a 5 to 3 lead on the conservatives in parliamentary election returns from more than a third of the nation today. Labor claimed a clear-cut victory and with it, a mandate to drive Britain along the road to socialism for five more years.

Returns from 258 of 625 constituencies showed Labor clinched 157 seats in the new House of Commons, the conservatives 98 seats, and the once-powerful liberals, only one.

Jubilant laborites predicted at least a 60-seat majority in the new House. They had a 147-member majority in the last one.

Gloom settled over conservative headquarters. While Winston Churchill's hard-fighting party had lost out to labor's ranks in parliament, by morning it still had a long way to go. But the conservatives had not yet given up the fight.

Prime Minister Attlee was re-elected to the House, along with Sir Stafford Cripps, chancellor of the exchequer, and Aneurin Bevan, the health minister.

Attlee hailed the results as "pretty satisfactory."

At 4:45 a. m. (10:45 p. m. Thursday, C.S.T.) he told Labor party officials at party headquarters:

"I should say while one never likes to anticipate a result before the finish, the results are pretty satisfactory and the vote is up."

The 67-year-old leader seemed tired, but was in good spirits.

"There will be a labor government in power in Britain tomorrow," declared Morgan Phillips, Labor party secretary.

The indications were that the vote was the heaviest in Britain's history—somewhere in the neighborhood of 26,000,000.

The labor minister of health, Bevan, was a four-to-one winner in his district in Monmouthshire, Wales.

Foreign Secretary Ernest Bevin was returned to the House, but Colonial Secretary Arthur Creech Jones lost out to his conservative opponent by a margin of 81 votes.

The vote in conservative leader Churchill's district was not to be counted until later today, but like Stafford Cripps, chancellor of the exchequer, and Aneurin Bevan, the health minister, he was virtually assured for the 75-year-old leader of his majesty's loyal opposition.

## Truman Says Subpoena Is Useless

Washington, Feb. 23.—(AP)—President Truman, persisted in a stern refusal today to give Congress confidential "loyalty" files on federal employees.

He said he has promised the Senate foreign relations committee he will otherwise cooperate with it in disproving what he called false charges made by Senator McCarthy (R-Wis.) that a Communist ring exists in the state department.

Senator Wherry of Nebraska, GOP leader, promptly proposed that, if the State department refuses to give up the records, the senate have Secretary Acheson prosecuted for contempt. Thus, he said, the powers of the senate would be tested in the courts.

Mr. Truman plainly indicated that the executive branch would not respond to a subpoena.

He told a news conference that subpoena powers voted by the senate for the committee investigators would make no difference to him. He said it would be pretty hard to serve a subpoena on the President since the government affords him protection against such service.

**Directive Still Stands**  
Mr. Truman emphasized that his directive to government departments to refuse congressional demands for official files on loyalty investigations still stands. This directive provides that all such demands be turned over to him by the departments.

Senator McCarthy told the senate yesterday that unless it gets access to the loyalty records of the State department any investigation would be a farce and a whitewash.

McCarthy claimed that all his charges—made on a speaking tour of the west and on the senate floor—were based on secret records available in files of the State department and other agencies. He refused to name names or to say who furnished him the information.

Tonight McCarthy issued a statement saying "I do not think the senate will allow the President to get away with this bovine thumbing of his nose at all of the senators who represent the 48 states."

**Jokes With Newsmen**  
The President laughed and joked with the newsmen today in contrast to the sharp exchanges of last week when they questioned him regarding an exclusive interview he gave Arthur Krock of the New York Times.

Once more he rejected demands in and out of congress that some new dramatic approach be made to Russia in the cold war. He said he doesn't see how it can be settled in that manner. He added this country has made every approach possible in the United Nations in an effort to reach an agreement on atomic controls, but it has been unable to get one.

He said he covered the situation in his Alexandria, Va., speech yesterday when he warned against "the vain hopes of finding quick and easy solutions," and said any control plan lacking effective international inspection clauses would be a "sham."

In response to a question today, he said there have been no new peace feelers from Russia.

## Coal Talks Still Bring No Results

### Idleness Due To Coal Shortage Rises In Nation

Washington, Feb. 23.—(AP)—Soft coal contract talks brought "absolutely no results" tonight despite earlier reports that John L. Lewis and the operators had edged closer together on money differences.

David L. Cole, chairman of President Truman's coal inquiry board, appearing haggard and dejected, told reporters that progress had stopped in negotiations which failed for the eighth day to end the strike of 372,000 United Mine Workers.

**Meetings To Continue**  
The two sides, under federal court order to stick to their bargaining, were called back for 1:30 p. m. C.S.T. tomorrow as the strike's ninth day. Lewis said unemployment in other industries toward 78,500. Violence hit again at non-union mines. Cities tightened rationing and more steel workers were closing. Railroads were down to a 14.4 days' overall supply.

Apparently hope had vanished for a sudden break in the strike which the miners have maintained in defiance of a federal court Taft-Hartley directive.

And at 9 a. m. (C.S.T.) tomorrow their union must answer for it.

The UMW must try to convince Federal Judge Richmond B. Keen that it hasn't been in contempt of his order issued Feb. 11 and should not go to trial Monday. He can make the penalty as harsh as he wishes.

It was assumed that one UMW contention would be that the miners were acting as individuals in quitting work—which the Taft-Hartley act permits. Lewis is on record with public calls for them to go back to work.

The atmosphere as the closed door talks broke up for the day after two miners back to the pits so that UMW leaders could be asked what went on, was not optimistic. "Nothing," Lewis wouldn't comment.

Cyrus Chinn, federal mediation chief, agreed with Cole that the situation had not improved.

Cole was asked if there was anything beyond mediation that the government might do, and he replied nothing had taken form.

Because of tomorrow's court session, there has been hopes for a swift agreement that would send the miners back to the pits so that UMW leaders might plead that the union had "purged" itself of contempt.

But Cole said that Lewis and the operators had wound up the day's talks "just about where they were yesterday."

## KILLED AS HE CROSSES RAILROAD TRACK

Pekin, Ill., Feb. 23.—(AP)—Merle Robinson, 34, was struck and killed today by a Chicago and Illinois Midland railroad passenger train.

At the time Robinson was walking across the tracks on his way from work at the Corn Products Refining company plant. Robinson owned a tavern across the tracks from the plant and was going there.

## CHRYSLER STRIKE AT 30-DAY MARK

Detroit, Feb. 23.—(AP)—The CIO United Auto workers strike at 21 Chrysler Corp. plants across the nation reached the 30-day mark today without a sign of a settlement.

Federal and state mediators have failed to get the two sides on common ground after 10 straight days for peace talks. Verbal exchanges between the auto firm and the union increased in sharpness.

## IHC To Furlough 27,500 Because Of Coal Shortage

Chicago, Feb. 23.—(AP)—The International Harvester Company said today the coal shortage will put only 27,500 of its workers on a three-day week instead of the 49,000 it announced earlier.

A company spokesman said only eight of its Illinois plants will be affected by the state commerce commission's dimout order. The workers in these plants will go on a three-day week Monday.

Earlier today the company announced that 14 of its plants—ten in Illinois and four in Indiana—would be involved in the cutback.

However, tonight the company said its Indiana plants at Fort Wayne, Indianapolis, Evansville and Richmond will not curtail operations because the dimout plea issued by Indiana authorities is not mandatory.

A company spokesman explained that the Indiana Commerce Commission order merely "permits" utilities to cut back electric power output. He said there was no indication of any "immediate" change in coal shortage is not yet critical in the areas where its plants are located.

## PMW, Operators Agree To Resume Contract Talks

Springfield, Ill., Feb. 23.—(AP)—The Progressive Mine Workers and coal operators today agreed to resume contract negotiations Monday.

Governor Stevenson made the announcement after conferring with John Marchiondo, PMW president; Walter Gill, head of the Coal Producers Association of Illinois, and other leaders on both sides.

Contract talks were broken off shortly before midnight Tuesday and 10,000 Progressives went on strike in Illinois.

Stevenson said he is "very optimistic" that the new bargaining session will produce an agreement. The union is seeking higher wages, shorter hours and increased royalty fund payments by the operators.

Stevenson said PMW officials will meet with the operators here tomorrow to arrange for resumption of full scale negotiations Monday at 10 a. m.

The PMW miners dig about 25 per cent of the state's normal coal production. Their walkout cut the Illinois output to less than five per cent.

Stevenson called union and operator leaders to the executive mansion today and gave them a picture of the coal crisis.

## FINED FOR SHIPPING ROTTEN CHEESE

Peoria, Ill., Feb. 23.—(AP)—Two partners in the Supreme Dairy Products company of Oglesby today were fined \$2,500 each on charges of shipping contaminated cheese to Chicago.

Louis Allemen and Dorothy Radtke pleaded guilty and were fined by Federal Judge J. Leroy Adair. The government charged the cheese was

## LUSTRON FIASCO PROVES AGAIN THAT HASTE MAKES WASTE

The country's costliest experiment in mass-producing pre-fabricated homes apparently is doomed to failure. The Reconstruction Finance Corporation has decided to start foreclosure proceedings against the Lustron Corporation, maker of all-steel dwellings.

The RFC has loaned the Columbus, O., firm \$37,500,000 in an effort to get it well-launched on big-scale housing operations. Both the company and the agency figure foreclosure may cost the government \$30,000,000 of that sum.

The Lustron case is a sad history of dreams never realized. It is made all the more dismal by the fact that the project seems to have had the blessing of high government officials, probably including President Truman, from the beginning.

Why were these men so interested in Lustron? From the days of Wilson Wyatt, former federal housing expediter, there's been a notion in Washington that a well-developed prefabricated housing industry would go far toward bringing the cost of a decent home down to the average man's level.

At the same time, it was felt this goal couldn't be achieved simply by waiting for the tiny prefabricated housing output of established companies to swell into the desired heavy production. Government interest centered in initiating a bold effort to telescope this growth process.

The way to do it, Wyatt and others decided, was to help ambitious firms get quickly into automobile-style mass production of houses. The Lustron Company turned out to be the prize guinea pig in this plan. It gained control of former aviation plant space in Columbus. The RFC lent it money for machinery and operating expenses. Big things were in the wind, and the promises were lavish.

But somehow the dream always remained just out of reach. Many problems arose. It was hard to find the necessary skilled labor force, to set up a sensible selling organization. Continued rising costs wrecked hopes of a really cheap sales price.

Several times Lustron came back for more money to keep going until it could "get over the hump." The story was always about the same: "Just let us have a few more millions and we'll really be rolling." So much government money had been put into the experiment it looked unwise to let Lustron sink while there was still any hope at all. But, inevitably, there had to be an end to doling out funds without results.

The government has decided that moment has arrived. This doesn't mean the prefabricated housing industry has failed. There are numerous small companies doing well in the field, with a few showing impressive growth. But the evident collapse of the government's bright dream does seem to mean there'll be no spectacular catapulting of the industry onto a level with the motor makers. Progress henceforth will likely be slower than hoped for—but surer.

## TO BE WED

MISS JUNE WINNER

Announcement has been made by E. R. Winner, rural route five, Jacksonville, of the engagement and approaching marriage of his daughter Miss June Winner, to Francis Branstetter, son of Mr. and Mrs. Frank Branstetter, 250 East Vandalla road. No date has been set for the wedding.

Miss Winner is a graduate of Jacksonville High school and is employed at the Illinois Telephone company. Her fiancé is a veteran of World War II, having served three years in the U. S. Navy. He is now employed at the Branstetter Printing company.

## Experiences in Europe Told at P.T.A. Gathering

The P.T.A. of Community Consolidated School District No. 2, in South Jacksonville, met in the school gym Tuesday, February 21, for a regular monthly program. After a business session a program was presented by the first grades under the direction of Miss Francis Lane, music director.

Song Story—"The Boy and His Goat."

Tree—John Wright Little Boy—James Schumaker Fox—Richie Roberts Rabbit—Jackie Willis Bee—Charles Crocker Goats—Tommy O'Brien. Roger Ries, Richard Spencer Narrator—Carolyn Jean Williamson

Chorus—Loretha Engel, Joyce Black, Carolyn Evans, Lois Gardner, Gail Whewell, Paula West, Betsy Applebee, Sue Ann Barber, Joey Wells, Jimmy Stout and Billy Goin. After the children's program they were dismissed to see the movie, "Swiss Family Robinson."

Dr. Applebee Speaks

Dr. A. P. Applebee and his tenant, Francis Kesber from Latvia, spoke on Europe. Dr. Applebee told of his tour of Europe. This tour was an opportunity for American farmers to see the farms and methods used by European farmers. There were 180 persons on this tour, divided into groups and each group visited six countries.

Dr. Applebee went on to Czechoslovakia and stayed in its capital Prague. At Prague they were taken on a tour of the city. He spoke of the ways of the Communist party. Students aren't allowed to select their own subjects in universities unless they have the consent of the Communist party. Each person is supposed to volunteer a certain amount of time working for the party.

Francis Kesber spoke of his school where they had to learn three languages besides their own. One of which was English; now English is not taught, only Russian and German.

"One Party To Vote For"

Mr. Kesber saw the first election when the Communists took over. There was only one party to vote for. He marked the votes as the others read them. Each person was checked as he came to vote. There were not enough votes so the Communists went out in trucks and brought in people to vote.

Mr. Kesber also spoke again of the education in the universities and of his experience through the time of the war.

Following the meeting refreshments were served by Mr. and Mrs. Claude Gustine, Mr. and Mrs. Keith Godfrey, Mr. and Mrs. Dick Godfrey, Mr. and Mrs. Edwin Garlich, Mr. and Mrs. G. S. Heidinger, Mr. and Mrs. Harold E. Hembrich, Mr. and Mrs. Warren Hoagland, Mr. and Mrs. Frank Hembrich, Mr. and Mrs. Clarence Henry, Mr. and Mrs. O. W. Ink, Mr. and Mrs. Ray Johnson, Mr. and Mrs. Ford Jackson.

## Red Cross Goal Set at \$10,000 For Morgan Co.

"The efficient, economical operation of the Morgan County Red Cross chapter assures all of us getting full value received for every dollar we contribute to this annual campaign," Emmett Barton, general chairman of the Morgan County Red Cross campaign and manager of the Fox Times theater, said Thursday.

EMMETT BARTON

Mr. Barton also announced that the goal for the 1950 Red Cross campaign in Morgan county would be \$10,000. Of this amount less than 2 per cent will be used for expenses of the campaign which include clerical, typing, telephone, publicity and other expenses. The entire balance will be used in serving humanity every day throughout the year. All can help through out contributions to this annual campaign.

The campaign is scheduled to start in Morgan county on March 1.

## Social Events

## Moose Prepare To Build Home At Jerseyville

Jerseyville—The Jerseyville Moose Lodge will let the contract for the work on its new home on March 9th according to announcement made Saturday by the Lodge Secretary, Dr. Jack Hormell.

Plans and specifications for the structure have been completed by the architect and are in the hands of Arch D. Nelson, Governor of the

Lodge. Anyone interested in bidding on the job is privileged to inspect the plans at Governor Nelson's office in Jerseyville.

The job will consist of rebuilding the structure now standing on the premises on the southwest corner of Jefferson and Pearl streets, purchased by the Moose Lodge in Nov., 1946 from William R. McDanel and known as the DuHadway building.

It will have two stories of steel and reinforced concrete and will be practically fire proof. The upper story plans call for a large ball room and kitchen. Downstairs there will be clubrooms, including lounge and a "Kiddy Club" for the children. Everything in the Kiddy Club will be sized for children, even the plumbing fixtures. When special events are in progress in the lodge rooms nursery service will be provided for the youngsters of the families.

The contract for the work will be let at a meeting of the Board of Officers of the Moose, the evening of March 9th.

## 1975 Population Is Estimated At 28,000 In Land Use Report

Based on present trends, Jacksonville's population probably will reach 28,000 within the next 25 years, according to Harland Bartholomew & Associates, city planners who are working on a proposed new zoning ordinance for this city.

This estimate was contained in a land use survey report which has been made to the zoning commission.

"Jacksonville should continue to grow and should grow faster in the future than it has grown in the past several decades," the report said. "Institutions are growing; and the city should afford an attractive site for additional institutions. Its small trade has been growing recently and might grow even more if its business district could be more convenient and attractive by means of additional off-street parking areas. Although the past several decades do indicate a very large industrial expansion, the city should see more industrial expansion in the future. It shows a matter of national as well as industrial policy to locate new industries in the smaller communities. With its convenient location in relation to the St. Louis metropolitan area, there is no reason why

Jacksonville should not see additional development."

### Population Doubles

The land use survey report was accompanied by several tables and charts tracing the population growth from 1880, when Jacksonville numbered 10,927 citizens. The 1950 population is estimated at 23,500. 1975 population at 26,500, and 1975 as 28,000.

The report says the urban population beyond the city limits should continue to grow at a faster rate than the population within the city. The population of 2,000 in these areas could reasonably be expected to double by 1975, according to the city planning experts.

Under a heading "The Present

Zoning Ordinance," the Bartholomew report continues:

### Ordinance 23 Years Old

"The present zoning ordinance of Jacksonville was approved by the city council on March 22, 1926—over 23 years ago. At that time the preparation of zoning ordinances was considerably hampered by (1) uncertainty as to how far the courts might go in supporting such regulations, and (2) by the lack of knowledge of land use requirements in relation to future growth. The great number of judicial decisions that have been handed down since the first zoning ordinance was passed by New York City in 1916, removed all doubt of the legality of reasonable regulations. In fact, the courts often show a foresight and comprehension of community needs that is far in advance of actual zoning practice. The expenses of the last 30 years have brought a knowledge of land use relationships and land use requirements of cities as well as a vast improvement in the technique of zoning."

### Carries 40 Amendments

"The Jacksonville ordinance has had some 40 amendments since its passage. Most of these consisted of changes in the zoning map from residential to commercial or industrial. Furthermore, most of these have been of an isolated, uncoordinated nature, commonly known as 'spot zoning.' These changes have almost

individual property owner and without consideration of the requirements or needs of the community as a whole. Many of these have been of a purely speculative nature, as is evidenced by the fact that 40 per cent of the amendments have not resulted in appropriate changes in proper use. In other words, in two out of every five cases where the ordinance has been changed, no one has built a building of the type permitted by the change."

### "Has Not Been Enforced"

"It is quite evident that the ordinance has not been enforced. Comparison of the 1942 land use and the present land use indicates literally hundreds of instances where multiple dwelling and two-family homes have been erected or converted in the single-family districts in violation of the provisions of the ordinance. A few cases of violation of a commercial or industrial nature may be observed also, although these are not nearly as numerous. The primary benefit that the city has received from this law has been the general protection it has afforded the residential districts by its partial checking of the indiscriminate spreading of commerce and industry into these areas."

## White Hall Co-Op Elevator to Hold Annual Dinner

White Hall—The White Hall Co-Operator Elevator association will hold its annual dinner for members on Friday night, Feb. 24, with dinner served at 6:30 at the four churches. A program will follow in the Princess theater.

A short business session will be held with the election of three directors, after which Dr. A. B. Applebee of Jacksonville will be guest speaker. Other short numbers will complete the program.

The Couples club of the Presbyterian church met at the church, with 96 members present. Hosts for the evening were Mr. and Mrs. J. L. Guis, Mr. and Mrs. Ray Ricks, Mr. and Mrs. Henry Yost and Mr. and Mrs. Charles Arnold. A potluck supper preceded the program which consisted of guitar, vocal and piano numbers by nine pupils of the White School of Music of Jacksonville. Miss Joan Lyman presented the one-act play which will be White Hall's presentation in the district speech contest Feb. 25.

## MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

## Springfield Railroad Man Gets Quick Relief With Rentox

Mr. P. H. Buckley, 817 Milton Ave., Relieved By Rentox After Other Medicines Fail

"I have tried many other medicines but they were all so harsh that I had to quit taking them," writes Mr. Buckley. "I am a railroad man and have been suffering from constipation, gas and bloating for years. I had no appetite at all and a great deal of indigestion. I was caused by eating quick meals that are too greasy. Most railroad men suffer from the same conditions and try many remedies such as I have. My wife saw Rentox advertised and decided to give it a trial. To my surprise, after taking the first bottle I began to feel much better. My bowels are again regular, and I no longer suffer from indigestion and gas and my appetite is much better. Before taking Rentox I didn't sleep well and had difficulty getting up in the morning. Now that I sleep well I have no difficulty getting up and have more pep during the day. Rentox is mild and pleasant to take and I recommend it to anyone."

**Rentox Helps Hundreds**

Every day we receive grateful endorsements from people who have been helped with this amazing medicine. Rentox works fast to eliminate embarrassing matter that may have been in the system over a long period of time. It relieves constipation in a few hours, helps to build the rich red blood, helps kidneys and bladder, expels gas and bloating and gives you a real zest for food. Ask your druggist today for Rentox Compound. Be sure you get the genuine Rentox, accept no substitute.

### New Berlin Club To Hold Second Annual Banquet

New Berlin—The second annual banquet of the New Berlin Community club will be held Friday evening, Feb. 24.

The principal speaker will be H. J. Gramlick of Chicago, general agriculture agent for the Chicago and Northwestern railroad. Mr. Gramlick was formerly secretary of the American Shorthorn-Breeder's association.

A birthday social was given by the Woman's society of the First Baptist church, with members of the W.S.C.S. of the Methodist church and the Missionary society of the Presbyterian church as guests. There were 70 persons present.

The tables were attractively decorated to represent different months

of the year. The honor table was the February table, featuring a design typical of Valentine's Day and Washington's birthday.

Following dinner, a movie entitled "Out of the Dust," was shown.

#### WHITE HALL

White Hall—Mrs. Lloyd B. Smith, who underwent major surgery at Our Saviour's hospital, Jacksonville, was dismissed to her home here Monday.

Mr. and Mrs. Jack Tennill and son, Dana, of Rolla, Mo., are visiting her parents here. Mr. and Mrs. Sam Dean, Mr. Tennill is seeking employment after recently graduating from the Rolla School of Mines.

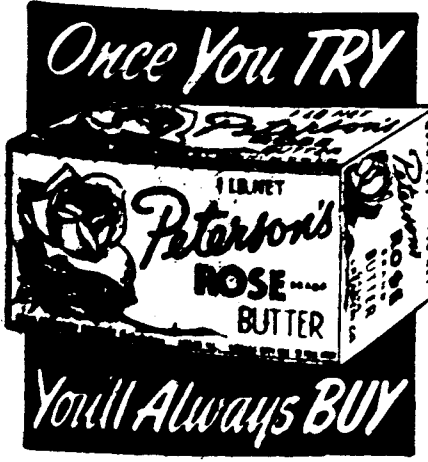

Mr. and Mrs. Lloyd Waggoner of Kankakee visited here with his mother, Mrs. E. S. Ambrose.

Mr. and Mrs. Albert Retherford and Mrs. William Batty accompanied Mrs. Pauline Smith to Decatur Sunday, where she met her son-in-law and daughter, Mr. and Mrs. Walter Lawson. The group returned to their home in Indianapolis, Ind. Mrs. Batty and Mr. and Mrs. Retherford went on to Lincoln for a visit with another sister, Mrs. Della Hamilton.

A farewell party was given for Mr. and Mrs. Wayne Dean at their home near Walkerville. They will move soon to the Earl Claywell farm northwest of Winchester.

Three Drivers  
Escape Injury  
In Triple Crash

Two trucks and an automobile were damaged Thursday morning in a three way collision at the intersection of South Main street and Morton avenue. The drivers of the vehicles escaped injury.

According to Patrolmen Arthur Woods and Cloyd Wilson, who were called to the scene, an automobile driven by Milton O. Riley of Aliceville, Ala., was traveling north on South Main street when it collided with a Smitty's Produce Truck from Decatur, which was turning into South Main street from East Morton avenue.

After the collision the Riley car swerved to the west and crashed into a Stocker Dairy truck which was parked in front of Mike's Market.

The Smitty's truck was driven by Carl W. Schunanski of Decatur. The police reported that Riley's car had damage to the right, front fender and right door, hood and left front fender.

The Stocker truck had a left front fender caved-in while the Decatur truck had a damaged left front fender and bumper.

The damaged truck and car were able to leave the scene under their own power.

State Highway Patrolman Downey assisted city police in keeping traffic moving.

RECIPE FOR  
Sausage and Sweet Potato Casserole

(Yield: 6 to 8 servings)  
1 pound Mayrose Link Pork Sausage  
1/4 cup water  
2 tablespoons melted fat  
1 cup orange juice  
1/4 teaspoon nutmeg  
6 cups mashed sweet potatoes (about 7 medium)

Place sausage in skillet. Do not pierce casings. Add water. Cover and steam about 5 minutes. Drain. Pan-fry until slightly brown. Turn sausage frequently. Pour off sausage drippings and save. Whip together sweet potatoes, orange juice, nutmeg and 1/4 cup drippings. Season to taste. Place in a shallow baking dish about 10" x 6" x 2". Arrange sausage on top. Bake in a moderate oven (350° F.) for 30 minutes.

## Greene Co. Farm Bureau To Hold Membership Drive

Carrollton—A four day Farm  
Bureau membership drive will be  
held in the county beginning Feb. 28  
and continuing through March 3.  
With the goal being a membership of  
1300. Each township is being as-  
signed a quota of six new members.  
Eight o'clock breakfasts will be served  
at kick-off meetings in Greenfield,  
White Hall and Carrollton.  
The breakfast will be served  
Tuesday in Greenfield at the  
Methodist church for workers from  
Athensville, Rubicon, Wrights and  
Rockbridge townships. The speaker  
will be Charles Mayfield, assistant  
organization director of the I.A.A.  
Mayfield will again speak at the  
breakfast to be held at Griswold's  
Cafe in White Hall Wednesday,  
March 1, for the workers from Walk-  
erville, White Hall, Roodhouse and  
Patterson townships.  
Jack Howlett, the district organi-  
zation director of the I.A.A. will  
speak at the breakfast to be served  
Thursday, Mar. 2, in the Farm  
Bureau hall. This breakfast will be  
for workers from Carrollton, Linder,  
Woodville, Bluffdale and Kane town-  
ships.  
The captains of the teams are as  
follows: William Gilmore for the  
Greenfield group; A. R. McConathy  
for the White Hall group and Marion  
Hildebrandt for the Carrollton group.

Carlinville—Miss Betty Stocker,  
daughter of Mr. and Mrs. R. E.  
Stocker, Murrayville, Illinois was  
awarded an honor work grade for  
the first semester at Blackburn  
College, Carlinville, Ill. Miss Stock-  
er was one of 34 students so hon-  
ored.  
The honor work grade corresponds  
to an "A" in the academic field, and  
is issued as part of the famous  
Blackburn work-study plan. Each  
resident student works 15 hours a  
week for the college doing duties  
normally performed in other schools  
by hired personnel such as cooking,  
secretarial work, and campus main-  
tenance.

# READ THESE FACTS BEFORE YOU BUY YOUR NEXT BOTTLE OF COLA

## WOULDN'T YOU LIKE TO KNOW WHICH COLA IS OF PROVEN HIGHEST QUALITY?

Now you needn't take anyone's word for cola quality! Now you can know the facts—as scientifically reported for you by America's leading research laboratory! JUST RECENTLY EVERY NATIONALLY ADVERTISED COLA ON THE MARKET WAS TESTED BY THIS UNBIASED, REPUTABLE AUTHORITY. SO IMPORTANT TO YOU IS THEIR LETTER REPORTING THEIR OFFICIAL FINDINGS THAT WE REPRODUCE IT IN FULL BELOW:

## WOULDN'T YOU LIKE TO KNOW WHICH COLA GIVES YOU GREATEST VALUE?

There's no secret about this! For years Pepsi has been known to every budget-minded housewife as the outstanding cola value on the market. For Pepsi pioneered and made famous the big, BIG bottle that serves not one—but TWO—full glasses! NOW WITH THIS ADDED PROOF OF HIGHEST QUALITY, DOESN'T IT MAKE MORE SENSE THAN EVER TO INSIST ON PEPSI ALWAYS? WHY TAKE LESS... WHEN PEPSI'S BEST?

"PEPSI IS OF HIGHEST  
PURITY... GIVES MORE  
QUICK FOOD ENERGY  
OUNCE FOR OUNCE!"

Gentlemen:  
Based on the results of our Report No. 11561,  
dated September 28, 1949, and further tests  
that we have made, we find that Pepsi-Cola  
drink is of the highest purity, and possesses  
more quick food energy and value, ounce for  
ounce, than any other nationally-known lead-  
ing cola drink.

Very truly yours,

**Washington PTA Members Discuss Aims of Education**

A round-table discussion on the "Aims of Elementary Schools" took place at the February meeting of the Washington P.T.A. Speakers were Mrs. Spencer, Miss Ruyie, Mrs. Gregory, Mrs. Niekush and Miss Nagle, with Miss Brown as moderator.

The theme of the program was "Training Through P.T.A." A chorus of 55 children of the fourth, fifth and sixth grades sang a group of songs, including "Sweet and Low," "Three Blind Mice," "Old Barn Dance," "I Love Geography" and "Czech Dance Song." The numbers were under the direction of Miss Mildred Eubank, with Mrs. Coultas as accompanist. Mrs. Paul Smith gave a talk on "Aims and Accomplishments of the P.T.A."

**2 Plead Guilty; Seek Probation**

Pleas of guilty to charges of petty larceny have been entered in county court by Carl Alexander and Leslie Ballenger of this city. Judge Fenstermaker referred their petitions for probation to the probation officer, continuing the cases to Feb. 28.

Both defendants were charged with taking cigarettes at the Wiegand Service station at Alexander.

James Delmar Ward, arrested at the same time the other two young men were apprehended, will be taken to Lincoln, Ill., to face a charge of larceny.

**GREETINGS FROM WINNIE**—Whatever his future in politics, Winston Churchill has at least one other career assured. The famed amateur painter, seen at work at his easel, has just turned professional. He has signed with a Kansas City, Mo., greeting card company to allow 18 of his paintings to be used on American Christmas cards.

**Christian Church Has Brotherhood Dinner Program**

Central Christian church joined with hundreds of other Disciples of Christ churches throughout the world in observance of the annual "Brotherhood Dinner" Wednesday evening when about 200 members of the local church met in the entertainment hall for a dinner served by Groups Seven and One of the Women's Council.

The program, presided over by Louis Boddy, chairman of the official board, had a two-fold emphasis: the fellowship and program of Disciples of Christ churches throughout the world, and the Week of Compassion offering to be taken on March 12 for the Church World Service and the Crusade for a Christian World.

The program consisted of songs, led by Mr. and Mrs. Don Little; greetings from other churches read by Mrs. Lowell Dodson; a statement of purpose by Louis Boddy; an explanation of the Absent-Guest Table by Rev. Heuston. The latter was a special table set for four places, representing the unseen presence of member of other Christian churches of the world, missions of Disciples of Christ, areas of European need, and areas of Asiatic need where no Christian missions are at work.

Also included on the program were an explanation of the Week of Compassion by Claude Gustine; envisaged programs for the next century's work by Roy Newberry; the mission work now being done, Mrs. Frank Moxon; and a moving picture entitled "Daybreak" depicting the work of the Church World Service in Europe.

During the past three years, Disciples of Christ churches have given \$1,500,000 to Church World Service. This year during the Week of Compassion (March 5-12) these churches are to give \$250,000 for the same cause and \$125,000 for the Crusade for a Christian World.

The local church committee in charge of the Week of Compassion and Crusade offerings is Claude Gustine, Hayden Walker, Ross Henry, Mrs. Don Hamer and Miss Barbara Black.

## CARTHAGE STUDENTS DONATE \$12,000 TO EDUCATION FUND

Carthage, Ill., Feb. 23.—P.—Carthage College students contributed \$12,000 to a Christian Higher Education Year appeal during a 48-minute mass meeting yesterday.

The 500 students who donated the money were joined by faculty members who contributed \$7,102 to the national fund being raised by the United Lutheran churches.

The college said that if the national campaign is successful it will get a \$429,250 share. This money would be used to build a new chapel and music hall.

## CHURCHES TO COMBINE IN LYNNVILLE SERVICE

Lynnville—World Day of Prayer will be observed jointly at Lynnville Methodist church at 2 p. m. Friday by the Methodist and Christian churches of Lynnville, and the Wesley Chapel, Mt. Zion and Ebenezer Methodist churches.

Miss Beilby Leach and the Wesley Chapel quartet will present special numbers, and a duet will be sung by Mrs. Earl Hempel and Mrs. Sallie Heaton. Chairmen for arrangements include Mrs. Albert Potter, Mrs. Darrell Bridgeman and Mrs. Nannie Scholtz. The public is invited.

## GLASGOW

Rev. and Mrs. Arnold Wake and family of Alton were entertained Sunday in the home of Mr. and Mrs. Harry Young, while Rev. Wake was filling his appointment at the local Baptist church.

Mrs. Dale Blair, who has been detained at home here the past week by illness, was able to return Monday to her employment at the Norbury sanatorium in Jacksonville.

Mrs. Fred Oswald arrived home from Our Saviour's hospital in Jacksonville, where she has been a patient while under treatment and observation the past several weeks.

Mr. and Mrs. Estelle Cowper and family were Sunday dinner guests of Mr. and Mrs. Randall Killebrew, son, Randy, in their new home, west of Winchester.

Water meters were introduced in Rome about 100 A. D. to prevent waste.

## New Berlin WSCS Entertains Guests

New Berlin—A number of guests were entertained by the New Berlin W. S. C. S. at a meeting held with Mrs. Crum. The guests were Mrs. Lynn Miller, Mrs. Harold Zude, Mrs. Loving, Mrs. Walter Brown and Mrs. Joe Lynch.

A potluck dinner preceded the meeting. Rev. and Mrs. Jeffers led devotions, after which a talk on foreign missions was given by Miss Mary Wax.

Mrs. Tausky and Miss Lizzie Basse were hostesses to the Ladies Aid Society of St. John's Lutheran church at a potluck dinner and sewing session.

Frank Hergenrother is a surgical patient at Our Saviour's hospital.

CHICAGO LIVESTOCK  
MARKET REPORT

Chicago, Feb. 23.—(P)—Slaughter lambs hit a new February price peak at \$27.25 a hundred pounds today, but the post-holiday livestock trade in general was mixed. Hogs were steady to weak, cattle mostly steady, and sheep firm to 50 cents higher. Barrows and gilts ranged from \$15.50 to \$17.50, the top, and sows

made \$13 to \$15.50, with fairly good clearance made of all offerings. Most medium and good steers sold from \$22.75 to \$28, although a few loads and lots of high-good to choice kinds brought \$29 to \$33. The load lot top was \$30, however. Medium and good fed heifers took \$22.50 to \$26.50, one load going to \$28.75. Beef cows ranged downward from \$20.50, and sausage bulls from \$22.25, and vealers from \$32.

Fed wild lambs sold mostly from \$26.25 to \$27.25 and shorn lambs topped at \$25, ewer at \$14. Included in estimated salable supplies were 8,000 hogs, 6,000 cattle, 500 calves, and 4,000 sheep.

good and choice 140-170 lbs 14.75-16.75; medium and good 190-230 lbs 10.75-14.00; good and choice 270-400 lb sows 14.75-15.25; heavier sows 12.55-14.25; stags 8.50-11.00. Cattle 1750: calves 750; medium and good heifers and mixed yearlings 23.00-25.00; common and low 18.00-22.00; good cow 18.50-19.50; common and medium 16.75-18.00; canners and cutters 14.00-16.50; good and choice vealers 28.00-35.00; common and medium 19.00-27.00. Sheep 800: choice woolled lambs 26.75.

150,640,000 IN U.S. Washington, Feb. 22.—(P)—The U. S. population reached 150,640,000 on January 1 after increasing by 2,553,000 during 1949, the census bureau reported today. This counted 443,000 Americans serving in the armed forces overseas.

## Raymond Roach Badly Hurt From Contact With Electric Wire

Raymond Roach, 33 years old, a tinner employed by the W. R. Shaw Co., who narrowly escaped electrocution Thursday afternoon at 1:30 o'clock while working in the office of Dr. M. L. Newman on Dunlap Court, was reported to be doing fairly well Thursday evening. Roach was rendered unconscious by a charge of electricity when he came into contact with a wire. After 20 minutes strenuous work by a fire department inhalator squad and physicians, Roach regained consciousness but appeared to be seriously injured.

## New York Stock Market

New York, Feb. 23.—(P)—A pickup in demand gave the stock market a gentle lift today.

The improvement was accompanied by a flow of unofficial reports from Washington that the gap between John L. Lewis' demands and the coal operators' offers is narrowing. Hope that the two groups might reach agreement were brighter than at any time during current negotiations.

Gains ranged from fractions to a point for favored issues. A Campbell, serious reading, and good handful of leaders, at the same time, either backed down a bit or remained at Tuesday's closing levels.

Business picked up a trifle as quotations edged ahead. Turnover hit a rate of around 1,300,000 shares for the full session.

Corporate bonds moved slightly.

## District Speech Contest Feb. 25 At White Hall

White Hall—The district speech contest will be held Sat., Feb. 25.

The event was to have been held in Roodhouse, but part of the program will be given at the White Hall High school auditorium, due to lack of stage facilities in Roodhouse. All readings in the contest will be given in Roodhouse. Those attending from the White Hall school will be Virginia Bohn, humorous reading, Pezzy Campbell, serious reading, and James Campbell, oration.

The one act plays will be held at the high school here. The White Hall play will be presented by Miss Joanne Lyman by special arrangement with Row Peterson & Company.

Pupils taking part from White Hall will be Darrell Mansfield, Carl Ann Davis, Jean Rex, Lyndell McCabrey and James Campbell.

## Chapin, Meredosia Tangle For Crown In District Tournament

Meredosia — Paul Blakeman's Chapin Bearcats fought their way into the Meredosia district tournament finals tonight by eliminating Chambersburg's defending champions 49-39 in the last semi-final battle.

Meredosia bumped Routt 68-46 Wednesday night to move unblemished into tonight's championship game. So far, the games have gone according to advanced predictions. Dosh is ceded the number-one club and Chapin heads the lower bracket.

Game time tonight is 8 p. m. The doors will open at 6:15 p. m. to accommodate the expected overflow crowd.

Winner of this district meet will advance to the Virginia regional which gets underway next week. The little champ will oppose Ashland in the fourth first-round game on the Virginia card.

After Chapin jumped into a 19-7 advantage in the first period, Blakeman's boys were never bothered by Eldon Atwood's scrapping title defender. The Bearcats boasted two top scorers—Don Taylor headed all-point-making with 20 tallies and Jimmy Bonds, lanky, center, registered 16.

Rog Ham was top gunner for the Bears. He racked up 16 tallies. Chapin headed Chambersburg 25-14 at halftime and 34-29 going into the last lap.

## Notre Dame End Fatally Injured In Gym Exhibit

South Bend, Ind., Feb. 23.—(P)—Charles Raymond (Ray) Espanan, 24-year-old Notre Dame football end, died late today of a broken neck he suffered in a gymnastics demonstration.

Unhurt in four years of big-time collegiate football, Espanan was injured attempting a back flip on a trampoline in Central high school gymnasium here Monday. The demonstration was part of his practice teaching as a senior in the Notre Dame school of physical education.

Death came in St. Joseph's hospital. At the bedside were his parents, Mr. and Mrs. E. J. Espanan of New Orleans, and a brother, Pierre, a pre-medical student at Notre Dame. Edward (Moose) Krause, Notre Dame director of athletics, was sitting outside the hospital in his automobile.

University officials sought to notify Coach Frank Leahy, reported fishing from a yacht off Miami, Fla.

Espanan was a member of the Irish gridiron squad throughout its string of 38 games without defeat—a string that is still unbroken.

A superior end, Espanan had 23 touchdowns to play the same position as Leon Hart, Notre Dame's 5 All-America star. Espanan was the 2nd No. 1 replacement for Hart but was overshadowed by the huge wingman. Espanan did not get to score last season as the Irish went through an undefeated season for the mythical national championship.

Espanan was a veteran of 23 months in the navy and had service in the Philippines and Holy Cross high school in New Orleans where he led six letters in football and track. Teammates reported Espanan had a talent for poetry, often enlivening road trips with verses about humorous happenings on the field.

## Glenn Davis Resigns From Army, Will Play Professional Football

Fort Monroe, Va., Feb. 23.—(P)—First Lieut. Glenn Davis former All-America gridiron star at Army, said here today he would play professional football next autumn with the Los Angeles Rams.

Davis was notified this afternoon that the Army had accepted his resignation. Although the resignation becomes effective June 3, Davis said he would be free to accept civilian employment March 1.

Davis said he would leave Fort Monroe March 1 for his home in California.

Except for a couple of exhibition games played for charity, Davis has played no football, he said, since the Army-Navy battle of 1947.

Until the professional football season opens, Davis said he would accept a business offer with the Baum Folder Machine Company of Philadelphia. He indicated he would be assigned to one of the company's California branches.

About his forthcoming professional football career, Davis said: "I'll play professional football as long as I can."

**Will Play With Bob Waterfield**

Davis said he expected to play either right or left halfback in the Rams' backfield which also includes Bob Waterfield.

Davis was permitted to resign from the Army under a policy permitting West Point graduates to leave the service three years after graduation.

Davis was one of the greatest football players in West Point history. He teamed in the backfield with Felix (Doc) Blanchard, now in the Air Force. Together, they proved an unbeatable offensive football combination.

Three times All-America, Davis was known as "Mr. Outside." Blanchard was "Mr. Inside."

Davis attempted to get out of the Army in 1947. His application to resign was personally turned down by Kenneth C. Royall, who then was secretary of the Army.

After he was notified of the rejection, Davis said: "They make the rules. I'll have to abide by them."

**A Baseball Prospect Too**

Davis, a brilliant all-around athlete, has been rated an outstanding major league baseball prospect.

Several big league clubs were reportedly interested in his services in case he ever decided to give up Army life. Branch Rickey, head man of the Brooklyn Dodgers, was particularly sold on the young officer.

In baseball, Davis played outfield. He was a sound hitter, fast, and had an excellent arm.

In Los Angeles a couple of years ago he set a world record of 10.8 seconds for the 100-yard dash in full football equipment and carrying a ball.

In 1944 at West Point Davis set a modern intercollegiate scoring record of 20 touchdowns while pacing Army to its first national championship.

The following year his average net gain per play, rushing and passing, was 11.59 yards—accepted as a modern mark. He won the Heisman trophy in 1946, his last season, as the outstanding college football player of the year.

## Stroud's boys wound up the hardwood campaign with an even-tempered 12-12. When the snow melts the Rockets will get the jump on other local prep schools on the baseball diamond.

Spike Wilson watches his I.S.D. club make its final regular scheduled game this evening at Roodhouse. Then comes a mighty struggle at Virginia where the Tigers are paired off with Franklin. The westenders have beaten Joe Treat's Flash quintet twice this season by a total of three points. Both victories were garnered on the local court. Can they do it again at Va.?

John Chapman scheduled an extra toughie for the Jacksonville high athletes when he signed Carthage to come here Saturday night. However, a peek at next year's Crimsons schedule shows that the new coach likes 'em tough and fans are going to be taken aback when they goggle the "big name" fires that will appear on next year's schedule.

It's getting about that time! "Does anyone have a ticket for the state tournament?" seems to be a favorite question. It'll be an even bigger query the day of the meet when scalpers and scalped gather before Huff gymnasium at Champaign to do business.

Illinois college makes a final appearance in knee briches on the I.S.D. wood Saturday night playing host to Augustana, upset victors over Millini. Although a Little Nine conference tussle, it will have no bearing on the league outcome since the Decatur athletes have already salted away the crown.

## Favorites Advance In International Golf Tournament

Orlando, Fla., Feb. 23.—(P)—The international mixed two-ball open golf tournament whittled itself down to business-like size today as favorite teams with but one exception gained the quarterfinal round.

Louis Suggs and Toney Penna led the way by trouncing Mrs. Charles Harting of Miami and Toby Lyons of Warren, Pa., 8 and 6.

Another strong favorite, Mrs. Mildred (Babe) Zaharias of Prairie View, Ill., and George Boles of Tampa turned back Katherine Hemphill and Burl Boles both of Tampa, 4 and 2. The Hemphill-Boles team yesterday upset Alice Bauer and Al Bessellink.

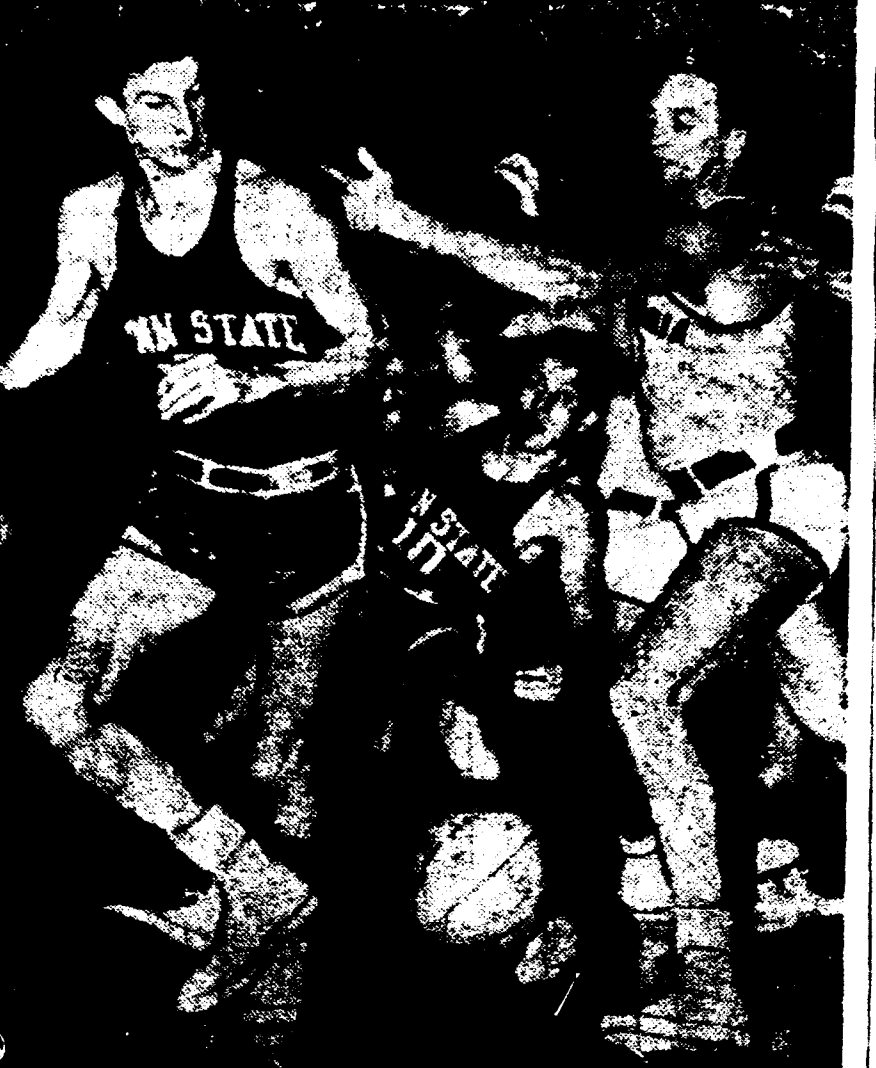

The remaining Midland, Tex., Bauer sister, Marlene, and home pro Benny Champagne stayed in the running by defeating Polly Riley of Fort Worth and Pug Allen of Deland, Fla., 3 and 2.

The lone upset came when Mrs. Edie Bush of Hammond, Ind., and Clarence Doser of Seaside, N.Y., turned back Pat Sullivan of Orange, Conn., and Dick Chapman of Pinehurst, N.C., 4 and 3. Miss Sullivan became ill during the early part of the match but insisting on sticking it out.

Kathy McKinnon of Lake Worth, Fla., and George Kinsman of Three Lakes, Wis., sidelined Marjorie Lindsay of Decatur, Ill., won the event with Henry Picard last year, and her new partner, Hugh Hays of Clearwater, Fla., 2 and 1.

## Young Ex-Marine Is Boxing's First Fatality Of 1950

New York, Feb. 23.—(P)—Lavern Roach, handsome ex-marine boxing idol of Plainville, Texas, died today of brain injuries suffered last night in a 10th round knockout loss to George Small of Brooklyn.

The end came at 11:50 a.m. (CST) at St. Clare's hospital, where he had been taken on a stretcher from St. Nicholas arena.

"The patient was in a deep coma," the hospital report read, "and there was respiratory failure with final cessation of heart action due to the after effects of a cerebral hemorrhage and brain damage."

Huddled at the bedside in stunned silence were the boxer's wife, Evelyn, and his manager, Johnny Aboud, who handled Roach's career since his days with the Cherry Point, N.C., marines. Yesterday was his 24th birthday.

Vincent A. Nardiello, New York State Athletic Commission physician, and four other doctors attended the stricken athlete after his last fight. Dr. Nardiello remained with the patient through the night until his death.

Only a handful, 1,832, waded through sleet and snow to see the middleweight battle in the ancient midtown club. Hundreds of thousands and perhaps millions of shocked television viewers saw the tragic end of the fight at 1:57 of the tenth over a CBS network telecast. Cameras focused on Roach's corner for several minutes as his handlers and doctors worked over him following the knockout.

The district attorney's office announced a full investigation of the fight that resulted in boxing's first fatality of 1950. Ring magazine records show 18 fight deaths last year, nine in the United States of which five were pros. Enrico Bertola, who died Oct. 5 after losing to Lee Oma at Buffalo was the last in New York state.

Detective Lieutenant Henry Devlin, of the New York City police, said all persons concerned with the bout would be questioned at the district attorney's office tomorrow morning. He said he had seen the match and "there does not appear to be any negligence at this time."

## Crimsons Return Home To Entertain Carthage Outfit Saturday Night

LOCAL  
J.H.S. at New Berlin  
I.S.D. at Roodhouse

OTHERS  
Beardstown at Corpus Christi (Galesburg)  
Virginia at White Hall  
Athens at Waverly  
Carrollton at Pittsburg  
Gilesport at Kincaid  
Mt. Sterling at Winchester

With the Virginia regional only a weekend hence, Jacksonville high school and I.S.D. basketball clubs get set for state play-off competition with a pair of rugged prep tilts on the road this evening.

Spike Wilson journeys his westend Tigers to Roodhouse where they'll seek a final season victory against Mason Campbell's oft-beaten Railroaders. The Jacks, recent victors over Beardstown and Roodhouse, travel to New Berlin for their next to last game of the season.

An extra-feature has been added to the Crimsons card for local fans Carthage, a team that impressed onlookers with a smooth-working performance against Benld in the March of Dimes double header at I.S.D. not long ago, will move against John Chapman's club Saturday night. Two games—the first starting at 7 p.m.—are scheduled for the DP slats.

**Tigers Have 15-7 Record**

The I.S.D. aggregation will be winding up a more-than-successful season at Roodhouse tonight. Already owners of a 15-7 record, besides a championship trophy from the Louisiana, Mo., invitational classic, the Tigers are looking to the Roodhouse affair as a warm-up for their Virginia regional first round clash with Franklin—a club they have beaten twice this year, once by two points, and again by one.

Leo Ceci, high scoring little forward, will be popping his long shots and pivot hooks for the last time in a regular scheduled game for Spike Wilson's pack. The diminutive shot-maker from Chicago is completing his last year of eligibility at the westend school after enjoying four big years of varsity basketball.

Also on the graduate list at I.S.D. is Irvin Carlstedt, regular pivot man, who is better known for his prowess in the football field although he has been making his mark as a rugged rebounder on the hardwood this season.

Spike has three regulars, Alta Hood, Eddy Raffel and Gilbert Paul, returning to the fold next season as well as semi-regular Doyle West—a husky center-forward who has been filling in for injured Alta Hood the past few games.

**Jacks Favored At Virginia**

Though they boast only a 13-10 mark for the season, Chapman's Crimsons athletes are favored to win the Virginia regional and will be out to prove their right to the advanced rating when they tangle with Pete Warnke's New Berlin Pretzels there tonight.

New Berlin is also a Virginia entry, meeting second-rated Waverly in its first-round test.

Jacksonville high bumps into the host Redheads in the tourney's number-one attraction next Tuesday night.

The Crimsons will sharpen their teeth on a tough cockle Saturday night when they bring Carthage to town for an added event. The Carthage youngsters astonished March of Dimes onlookers here more than a month ago when they combined a smooth-working fast-break offense

## Willie Pep Fined For Poor Showing In Recent Fight

Miami, Fla., Feb. 23.—(P)—World featherweight champion Willie Pep today was fined \$500 and his opponent, Jimmy Warren of Brooklyn, \$250, for "poor showing and lack of effort" in a 10-round non-title fight last night.

The Miami Boxing Commission assessed the penalties after holding up the fighters' purses overnight. The fines were deducted before Pep's \$3,000 and Warren's \$1,500 purses were released.

Boxing commissioners at first threatened to make boxing history by withholding the purses entirely, but after a hearing decided on fines instead.

Don Cuddy, sports editor of the Miami Beach Florida Sun, said the bout was booed continuously by many of the 3,710 spectators who paid a gross gate of \$10,625.

The fight was so slow that Cuddy wrote: "Will-o'-the-wisp (Pep) wore out his welcome here with an empty-handed exhibition of his good physical condition."

Pep and Warren denied collusion, thus escaping with only the fines. Either fighter can appeal to the boxing commission for a rehearing but neither had done so tonight.

Pep, from Hartford, Conn., and Warren went the full ten rounds.

## Arrange Burial For Family That Died in Blaze

Hudson, Mich., Feb. 23.—(P)—Burial in a common grave was arranged today for eight members of a family who died in a fire Tuesday.

They were Gerald Beagle, 44, a farmer, and his seven children, Geraldine, 14, Barbara Jean, 12, Eloise, 10, Norma Mae, 9, Paul, 6, William, 5, and Linda, 23 months.

Flames destroyed their farm home Tuesday. The father and children were trapped in an upstairs bedroom. The mother escaped by breaking out a downstairs window. She is being treated at a hospital for second degree burns.

MURIEL HALLECK ignored Alice determinedly and went on with her story.

"I tried to cope with young Rick, but his terror of the storm put him beyond reason. You saw how he acted the day he threw that tantrum."

Alice nodded and Muriel went on. "Finally I lost my temper. I remembered that ugly little whip. It had belonged to Brent's father, who used to raise dogs. I got it and—"

Again she paused as Alice squeezed her hand. Anyone but Muriel Halleck might have burst into tears.

"Honestly though, Alice," Muriel continued, "after the very first blow, I just tapped Rick. But that was enough to scare the poor child to death."

"Well, Brent heard the commotion and woke up in the middle of it. He came charging out of the bedroom. And, really, I thought for a moment he was going to kill me."

"He grabbed me and slung me back into our bedroom. That's how I got those awful bruises on my arm. I knew you didn't believe my story about banging into something in the night."

Alice nodded, realizing that she had thought the bruises were further evidence of Brent's cruelty.

"Then I heard you come," Muriel was still speaking. "Afterwards Brent came into the room and hung the whip in my closet. He said, 'Muriel, winced, '—that I'd better keep it among my own things if I was so blasted fond of it. But until now I've let Brent take the rap. With you.'"

"It's all right now, Muriel," Alice said.

"Now it is, but it wasn't before. Don't you see, my dear? I just couldn't go off to California letting you believe a rotten thing like that about Brent."

Muriel's head came up and she managed a smile. "I'm an ambitious, self-centered woman, Alice, but I'm not all bad."

Muriel rose and stood again by the door, ready to leave.

NO, Alice thought as she stood facing Muriel. She wasn't all bad. It had taken courage for her to come here today.

Alice said slowly: "I'm very glad you told me this, Muriel. And now I'm going to tell you something. I think you ought to go back to Brent and Rick."

Muriel shook her head decisively.

"No. That's out of the question, Alice. I've tried to be very honest, I think, about everything except that one disagreeable episode. But Brent and I have drifted apart for a long time. It started even during the war."

Alice recalled the local gossip at Tolliver that resulted from Brent's failure to return home on leave and his getting assigned to occupation forces after the war.

"Maybe I'm to blame," Muriel said. "I admit to being cold-blooded. You have to be, if you want, more than anything else, to get to the top of the world. But I also found that I had to be honest all the way around. That's the result of a good middleclass Indiana training, I suppose."

She sighed. Then she held out her hand.

"Good luck, Alice," she said, with a trace of a smile. "I won't ask you what's going to happen next. Because, keeping up this appalling honesty—or cold-bloodedness—of mine, it doesn't make the slightest difference in the world to me."

"Good luck to you, too, Muriel," Alice said, clasping the hand. "You're a brave woman."

After the handshake, Muriel Halleck turned and was gone.

Alice Pine stood in the doorway for a moment and then she closed the door and locked it. She had to take time to think.

### Crocodile Fortunes Are Illusion

Darwin, Australia—(AP)—Come to Darwin by all means, but don't expect to make a fortune shooting crocodiles, says Northern Territory Administrator A. R. Driver.

Crocodile hunting grounds in the vast thinly populated Northern Territory of Australia have been shot out in the last 20 years. The 30-foot monsters have gone, and today any croc more than 10 feet long is thought a good skin.

"Every year dozens of young men return south disheartened after having gambled their savings on a spotlight, a dinghy, a 303 rifle, and a dark mosquito-ridden river," says Driver. Most of the successful shooters are established in some business in Darwin, and take a few months off each year to go shooting.

### Alice G. Cogill Rites Saturday In Winchester

Winchester—Mrs. Alice G. Cogill, a former resident of Winchester, died Wednesday in a hospital in Syracuse, New York. The body will arrive in Winchester at 11:55 Saturday morning.

Funeral services will be held at 2:30 Saturday afternoon at the Cunningham Funeral Home.

Mrs. Alice G. Cogill was the daughter of William and Dolly Parker. She is survived by two sons, William Cogill of New York City, and Major Allen Cogill of Syracuse, N. Y. Both of the sons are graduates of West Point Military Academy.

She also is survived by four cousins, Helen, Bertha, Earl and James Miner of Winchester.

Her husband, Dr. Warwick Cogill, preceded her in death.

She was a graduate of the Jacksonville Female Academy. After graduation she taught school in South Carolina, Virginia and Kentucky.

Rev. R. H. Harris of Trinity Episcopal church, Jacksonville, will officiate. Burial will be in the Winchester cemetery.

## Emergency Committee Returns First Report On Coal Crisis Here

Following a discussion on the current coal situation at a meeting of the Jacksonville city council Monday night, Mayor Ernest L. Hoagland Wednesday appointed an emergency committee to investigate the supplies of coal on hand, the prospects for securing additional supplies and the formulation of a policy of distribution according to needs if the coal strike continues.

Those serving on the committee are George J. Carpenter, chairman, H. D. Atkins and William J. Wright of the Morgan County Health department.

These three men spent Wednesday and Thursday conferring with coal dealers in this area and checking available supplies at hospitals and other institutions. They made their first report to the mayor Thursday.

The situation here is critical, the report stated. The committee recommended that in the event the situation does not improve soon, the mayor issue a proclamation declaring an emergency and that all available coal supplies be diverted to essential uses only.

Mayor Hoagland said that several coal dealers had expressed complete willingness to cooperate with any plan that would channel existing supplies to those most in need.

"I hope no stringent action will be necessary," Mayor Hoagland continued, "but if the situation becomes worse I will issue a proclamation declaring an emergency to exist and take whatever action is necessary to see to it that coal goes to hospitals, homes in which there is sickness or old age, essential businesses such as food and drug stores and essential utilities."

The emergency committee's complete report to the mayor follows: Report To The Mayor Of Jacksonville, Illinois From The Citizens Coal Emergency Committee.

A survey by the committee shows that a state of emergency exists in the visible coal supply in the City of Jacksonville, and we therefore make the following recommendations:

That the Mayor issue a statement of emergency for the common good and welfare of the citizens of Jacksonville, until such time as it becomes apparent no further emergency exists.

That all coal operators within the City of Jacksonville or any operators doing business within the City area observe the following recommendations in the distribution of coal.

That coal be distributed in harmony with the essential needs or its use in the community.

That such delivery or distribution be made only after the distributor is satisfied that the need is essential.

That not more than a five days supply be delivered at any one time, and that supply only be delivered when the existing supply prior to delivery at the point of destination be less than a two day supply.

That a priority scale for users be set up, essentially as follows:

Hospitals

Homes and Institutions caring for sick and aged.

Dwelling places, particular attention being given to those housing the greatest number of persons.

Established Dairies, Grocery and Meat Distributors and Handlers.

Essential Public Utility and Municipal Services.

Schools, Colleges, Churches and Funeral Homes.

Commercial Establishments in harmony with their essential need in the community.

It is hoped that all coal handlers will cheerfully cooperate in this plan contributing to the health and welfare of the people of the City of Jacksonville, and that it will not be necessary to invoke more stringent regulations by setting up a direct rationing system.

The Citizens Coal Emergency Committee By Geo. J. Carpenter, Chairman H. D. Atkins Wm. J. Wright, Morgan County Health Dept.

Upon receiving the report from the committee, Mayor Hoagland immediately dispatched copies of the report to the city's coal dealers.

Department To Help

He added that the Morgan County Health department had been authorized to assist the emergency committee and the coal dealers in determining where the coal is needed most.

During its two day investigation the committee found many evidences of cooperation. Two carloads were received in Jacksonville yesterday, assigned to Illinois College and to the Jacksonville public school system. Officers of both institutions directed that only part of the coal be delivered to them, stipulating that the remainder be distributed among homes with empty bins.

Everett Conrad, chairman of the Kiwanis athletic committee, announced that the club directors had voted to issue an invitation to the entire Illinois-Iowa district to hold the annual bowling tournament in Jacksonville. Conrad said that the affair would bring many Kiwanians to Jacksonville from all over the district.

Dr. Louis Belinson, superintendent of the Jacksonville State Hospital, addressed the Kiwanis club Thursday on the subject, "Brain Waves."

Illustrating his talk with actual graphs of electrical brain discharges, Dr. Belinson explained how the electro-encephalograph is used to locate brain tumors and other abnormalities in the brain.

A new clinical unit is now in the process of construction at the Jacksonville institution, he said, to bring the advantages of this diagnostic procedure here for the first time.

"The brain gives off minute, rhythmic electrical impulses which can be measured by this very sensitive instrument," Dr. Belinson said.

"It is a great aid in determining the cause of mental illness in many cases."

Dr. Belinson, himself a Kiwanian,

was introduced by John B. Wright, program chairman for the day.

Club President Harold E. Gibson announced that the board of directors had voted a part of the fund derived from the recent Kiwanis Pancake and Sausage day to provide prizes for art contests in the local grade schools. The winners in each ward school will not only receive Kiwanis recognition and prizes but will be eligible to participate in state and national competition.

## George W. Lewis 4th Lucky Farmer In Photo Series

George W. Lewis of route 1, Ashland, is the fourth Lucky Farmer in the 13 weeks series sponsored by the Journal Courier and 50 local businessmen.

Mr. Lewis came into the newspaper office Thursday afternoon to make the identification of an aerial photograph of his farm. Ward Petrie of that community operates the 140 acres in the farm, which is located about a mile and one-half west of the Berea Christian church.

Mr. Lewis, a widower, has been in poor health this winter and was recently discharged from St. John's hospital in Springfield. He will attend the Illinois theatre Saturday night to receive a framed enlargement of the photograph and \$50 worth of gift certificates.

He recalled that the barn shown in the photograph "was an old barn when I was a kid, back in 1884."

Built of sturdy hewed timbers joined with wooden pins, the framework is still in good condition, although the sides and roof have been rebuilt.

These three men spent Wednesday and Thursday conferring with coal dealers in this area and checking available supplies at hospitals and other institutions. They made their first report to the mayor Thursday.

## Bluffs Rites Unite Tuscher, Brammeier

Bluffs—A pretty wedding of the late winter season was that of Miss Betty Lou Tuscher of Bluffs and Robert Brammeier of Jerseyville which took place Tuesday morning, Feb. 21, at ten o'clock at the rectory of the Church of the Holy Ghost in Jerseyville. The impressive ceremony, performed by Rev. Paul P. Heinen, was witnessed by the immediate families of the couple.

The bride's attendants were her sister, Mrs. Charles Hartman of Carrollton, matron of honor, and Miss Anna Marie Brammeier, sister of the bridegroom, bridesmaid. Paul Connolly of Decatur served Mr. Brammeier as best man and Charles Hartman of Carrollton was groomsmen.

Bride Wears Gray Sharkskin

The bride was attired in a gray sharkskin suit with which she wore a white blouse and navy blue accessories. A corsage of white carnations and white sweet peas completed her ensemble. Mrs. Hartman and Miss Brammeier wore navy blue suits with matching accessories. Their corsages were pink carnations and pink sweet peas.

Mrs. Tuscher chose for her daughter's wedding a navy blue and white spring crepe dress with which she wore navy blue accessories, and the bridegroom's mother wore a green crepe dress with black accessories. Their corsages were of pink carnations and pink sweet peas.

A wedding dinner was served at the home of the groom's parents, Mr. and Mrs. Robert G. Brammeier, 704 South Washington street for members of the bridal party and the immediate families. An arrangement of spring flowers centered the bridal table. White crepe paper and white wedding bells were used in the decorations in the dining room.

100 Attend Reception

A reception for about 100 guests was held from two to four o'clock in the afternoon at the Brammeier home. A three-tiered wedding cake, flanked with white tapers in crystal holders and spruce flowers graced the refreshment table. Mr. and Mrs. Brammeier departed on a short wedding trip and upon their return will establish their home at 208 East Pearl street in Jerseyville.

The bride is the daughter of Mr. and Mrs. Fred F. Tuscher of Bluffs. She received her education in the Bluffs schools and was graduated from Our Saviour's hospital school of nursing in Jacksonville in May, 1949. Since the first of the year she has been employed as the office nurse of Dr. H. E. Wuestenfeld in Jerseyville.

Mr. Brammeier is the only son of Mr. and Mrs. Robert G. Brammeier. He graduated from the Jerseyville Township high school with the class of 1948 and is now employed at the Canco service station.

Out-of-Town Guests

Among the out-of-town guests to attend the wedding and reception were Mr. and Mrs. Fred F. Tuscher and daughters, Barbara and Roberta; J. D. Brock
